

Administered by Discovery Health

Standard Benefit Options

* Colonoscopy as part of the Screening Benefit is one test every 10 years for members older than 55, performed in a doctor's room.

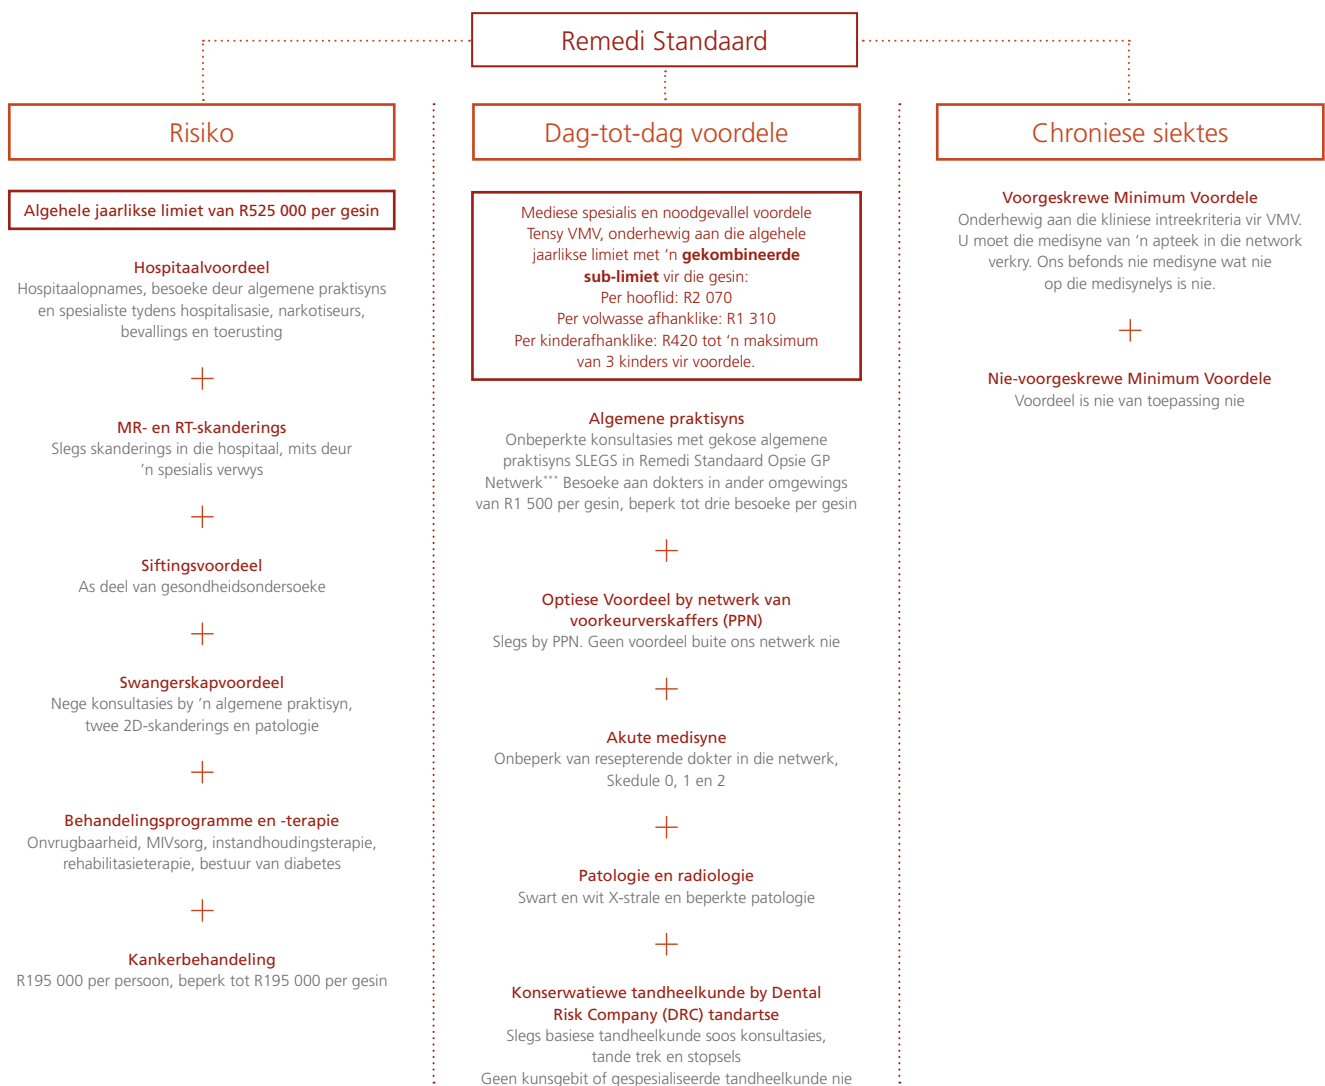

** One flu vaccine each year, for high-risk members over the age of 65.

*** Remedi Standard Option GP Network.

Geadministreer deur Discovery Health

Standaard Sleutelvoordele

* Die Siftingsvoordeel dek een kolonoskopie elke 10 jaar vir lede wat ouer as 55 jaar is. Hierdie toets moet in 'n dokter se spreekkamer gedoen word.

** Een griepentstofinspuiting elke jaar vir lede ouer as 65 jaar by wie daar 'n hoë risiko geïdentifiseer is.

*** Remedi Standaard Opsie GP Netwerk.
