Fraud Waste Abuse

The practice must maintain an ethical standard in accordance with the HPCSA code of conduct and refrain from any conduct that constitutes FWA (fraud, waste and/or abuse). Furthermore, the practice must co-operate with all FWA enquiries. In this regard the practice consents to provide and acknowledges that it is obliged to provide all information relevant to an FWA enquiry which includes information about the practice and its patient (individual or collective) that is relevant to establishing the occurrence of FWA and/or seeking solutions if FWA is established.
