

Chronic Illness Benefit medicine list (Provisional Formulary) 2024

Who we are

Remedi Medical Aid Scheme (referred to as "the Scheme"), registration number 1430, is a non-profit organisation, registered with the Council for Medical Schemes.

Discovery Health (Pty) Ltd (referred to as "the Administrator"), is a separate company who is registered as an authorised financial services provider (registration number 1997/013480/07), administers Remedi Medical Aid Scheme.

Important information you need to know

We may change the information contained in this document from time to time. We will communicate any changes to the way we pay medicines when we make these changes.

The Chronic Illness Benefit (CIB) is managed by the Remedi Medical Aid Scheme Rules. The use of the benefits and programmes linked with the Chronic Illness Benefit are subject to specific conditions and rules. Members must make sure that they know these rules and conditions.

Any instructions or advice on medicines and the management of the member's condition are intended to add to, and not replace, the knowledge, expertise, skill and judgement of the member's doctor, pharmacist or other healthcare professional.

You get full cover for approved chronic medicine on our medicine list. You may have a co-payment for medicine not on our medicine list.

Remedi Medical Aid Scheme and Discovery Health (Pty) Ltd reserve the right to change the benefit at any time.

Explanation of terms

Active ingredient

This is the main substance in a medicine that is responsible for the clinical action on a human body.

Benefit year

A benefit year refers to the benefits a member is entitled to during a calendar year, that is to say 1 January to 31 December. This medicine list (formulary) and Chronic Drug Amounts are applicable for 2024 only.

Chronic Disease List (CDL)

A defined list of chronic conditions we cover according to the Prescribed Minimum Benefits.

Chronic Drug Amount (CDA)

The CDA is the set monthly amount we pay for a medicine class. This applies to medicine that is not listed on the medicine list (formulary). The Chronic Drug Amount includes VAT and the dispensing fee.

Medicine class

This describes medicines that have similar chemical structures or similar therapeutic effects.

Prescribed Minimum Benefit (PMB) conditions

These are conditions which all medical schemes are required to cover by the Council for Medical Schemes for any setting according to clinical guidelines.

Reference Price

The Reference Price is the set monthly amount we pay for a medicine category. This applies to medicine that is not listed on the medicine list (formulary).

The Chronic Disease List (CDL) medicine list (formulary) for all benefit Options

The Chronic Drug Amount (CDA) **does not apply** to the Standard Option.
